Dog Appreciate Month

April is **Dog Appreciation Month**, and here at **Leashes & Leads**, we couldn't be more grateful for the opportunity to care for your beloved dog(s).

We feel so lucky to be a part of your dog's life, whether it's through weekly Playcare, Boarding stays, Grooming sessions, or teaching your dog(s) their best manners. Each dog we meet holds a special place in our hearts, and it's a true joy to watch them grow, learn, and thrive in our care.

Thank you to all the wonderful pet parents who trust us with your dogs. Your business means the world to us, and we're honored to be a part of your pet's journey.

Dog(s) Of the Month

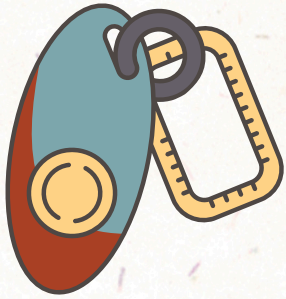

Drake and Elton, both 3 and 4 years old, have been with us since 2023. They're part of our **Playcare 5 Day a Week** membership and frequently board with us! They're big fans of our **Monthly Ball Pit**, love sniffing out treats, and causing a little mischief. These two are loud and always ready to wrestle with each other!

Product of the Month

Come-pooch-a is the ideal solution for picky eaters! This flavorful bone broth topper, inspired by *kombucha*, is packed with **Natural Postbiotics** to support your dog's **Digestion, Hydration, and Overall Well-Being**

Trainers Tip

Reserve *play and high-energy* behavior for **outside.**

Inside the house, *encourage calm, polite, and relaxed* behavior from your dog.

By sticking to this simple rule every day, you'll create a clear distinction between **energetic playtime outdoors** and **calm time indoors.**

Since most families and dogs spend a good chunk of their time inside, maintaining this routine will make a *noticeable difference* in the quality of your home life with your dog.

Beanie & Ollie

Beanie and Ollie came into our care at the *end of November* while their owner was undergoing surgery and recovery. After three months with us, they have now returned home.

During their stay, our neighbor **Meadow View Veterinary Clinic** made sure they received all necessary vaccinations.

Thanks to your generous donations, we're able to offer essential *medical care, food, and boarding* for pets in need when their owners can't provide for them.

We're grateful that **Temporary Paws Pet Refuge** can care for Beanie and Ollie until they are able to be reunited with their owner!

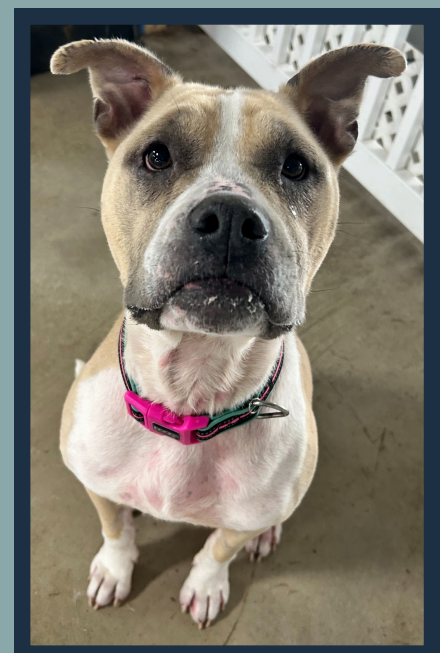

New Arrivals!

Frank, a 7-year-old Border Collie Mix, and Rhea, a 7-year-old American Pitbull Terrier Mix, are the latest arrivals, staying with us temporarily while their owners search for housing

With your donations, we're able to offer a temporary refuge for these animals and give their families one less thing to worry about. Your support makes a lasting difference in the lives of those facing hardship.

Mitz

(Available for Adoption through PCHS)

Since mid-November, Mitz, a 4-year-old Amstaff mix, has been in our care and is ready to find her forever family! While she loves playing with other dogs, She seems to have some possessive Issues so, we think she would be most successful In a home as the only pet, though playdates are still an option!

Mitz is great with kids and is an affectionate companion who always has a joyful smile on her face.

Mitz Is available through Paws & Claws although housed at Leashes and Leads.
